NOTICE. This document is intended to obtain consent from a parent or legal guardian where a minor Student participates in the Program. It establishes program boundaries, communication expectations, confidentiality limits, and educational-support conditions. It does not constitute legal advice, does not create an attorney-client relationship, and should be reviewed by qualified counsel before being relied upon for jurisdiction-specific compliance obligations.

This Parent/Guardian Consent, Student Participation, and Communication Authorization (the "Agreement") applies when a Student under eighteen years of age, or under the applicable age of majority in the relevant jurisdiction, receives educational support from the Education Access Program (the "Program"). By signing this Agreement, the parent or legal guardian identified below (the "Parent/Guardian") authorizes the minor Student to participate in Program activities subject to the terms set forth herein.

(g) "Confidential Information" means non-public information relating to a Student, family, Volunteer, application material, educational background, location, contact information, personal history, or support request.

1.2 Construction. Headings are for organizational convenience only and shall not limit any provision. The words "including," "includes," and similar terms shall be interpreted as non-exhaustive.

ARTICLE II. CONSENT TO PARTICIPATION

2.1 Authorization. The Parent/Guardian authorizes the Student to participate in Program educational support activities, including tutoring, mentorship, essay feedback, application planning, scholarship research, workshops, and related communications.

2.2 Educational Role Only. The Parent/Guardian acknowledges that the Program provides Educational Support only and is not a school, admissions agency, law office, immigration service provider, government office, financial aid office, mental health provider, emergency service, or relocation service.

2.3 Voluntary Participation. Participation is voluntary. The Parent/Guardian or Student may discontinue participation at any time by notifying Program Leadership. The Program may suspend or end participation if continuation is inconsistent with Program capacity, safety standards, or policy requirements.

ARTICLE III. SCOPE OF SERVICES AND PROGRAM LIMITATIONS

3.1 Permitted Support. The Program may assist with academic tutoring, essay feedback, application planning, school or scholarship research, test preparation, mentorship, workshop attendance, and general educational planning.

3.2 Excluded Services. The Program does not provide legal, visa, asylum, immigration, border-entry, residency, work-authorization, government-filing, travel-permission, financial, medical, mental health, emergency relocation, housing, or crisis-intervention services.

3.3 No Guaranteed Outcomes. The Parent/Guardian acknowledges that the Program does not promise or guarantee admission, scholarships, financial aid, visas, relocation opportunities, test-score increases, interviews, school placement, or any other outcome.

ARTICLE IV. COMMUNICATION AUTHORIZATION AND BOUNDARIES

4.1 Authorized Communications. The Parent/Guardian authorizes Program Leadership and approved Volunteers to communicate with the Student for Program-related educational purposes, including scheduling, tutoring, essay feedback, mentorship, document review, workshop coordination, and progress follow-up.

4.2 Approved Channels. Communications should occur through Program-approved channels when such channels are provided. The Program may establish additional requirements for group communications, parent/guardian copying, meeting records, or supervised communications involving minors.

4.3 Prohibited Communications. Volunteers and Students shall not engage in romantic, sexual, threatening, harassing, discriminatory, coercive, exploitative, excessively personal, secretive, or unrelated communications. Program communications shall remain professional and limited to educational support.

4.4 Reporting Concerns. The Parent/Guardian and Student should promptly report inappropriate communications, boundary concerns, safety concerns, requests for money, requests for sensitive documents, or any conduct inconsistent with Program policies to Program Leadership.

ARTICLE V. ACADEMIC INTEGRITY AND STUDENT RESPONSIBILITY

5.1 Student Ownership. The Student remains responsible for all application materials, essays, forms, statements, resumes, activity lists, and submissions. Program support is intended to strengthen the Student's own work, not replace it.

5.2 No Ghostwriting. The Program and its Volunteers shall not write, ghostwrite, fabricate, substantially author, or submit essays, application responses, scholarship materials, or other student submissions. Feedback may address clarity, structure, grammar, organization, tone, specificity, and authenticity.

5.3 Accuracy. The Student and Parent/Guardian agree not to submit false, misleading, exaggerated, plagiarized, fabricated, or incomplete information through Program-supported applications or materials.

ARTICLE VI. CONFIDENTIALITY, INFORMATION USE, AND PRIVACY

6.1 Use of Information. The Program may collect and use limited information necessary to provide Educational Support, coordinate volunteers, document service activity, maintain program records, and evaluate outcomes.

6.2 Confidentiality. The Program will instruct Volunteers to protect Confidential Information and to use it only for approved Program purposes. Confidential Information should not be disclosed outside Program channels except as authorized, necessary for Program operations, or required by law.

6.3 Data Minimization. The Program does not seek unnecessary sensitive documents, including passports, immigration papers, government identification, medical records, financial documents, legal records, or detailed family safety information. Such materials should not be submitted unless Program Leadership specifically requests limited information for an approved purpose.

6.4 Publicity. The Program shall not use the Student's name, photograph, essay, story, identifying details, or testimonial for publicity, fundraising, social media, or presentations without appropriate consent and Program Leadership approval.

ARTICLE VII. LEGAL, VISA, ASYLUM, AND IMMIGRATION BOUNDARY

7.1 No Legal Advice. The Parent/Guardian acknowledges that the Program and its Volunteers do not provide legal, visa, asylum, immigration, border-entry, refugee-status, residency, work-authorization, travel-permission, or government-filing advice.

7.2 Referral Boundary. If legal or immigration-related questions arise, Program representatives may decline to answer and may refer the Student or Parent/Guardian to qualified outside organizations. The Program does not endorse or guarantee the services of any outside organization unless expressly stated in writing.

7.3 No Reliance. The Parent/Guardian and Student agree not to rely on Program communications as legal, immigration, visa, financial, medical, mental health, or emergency advice.

ARTICLE VIII. SAFETY, ESCALATION, AND PROGRAM DISCRETION

8.1 Escalation. If a Student communicates information suggesting imminent danger, exploitation, abuse, harassment, self-harm, severe distress, inappropriate communication, or a need outside the Program's role, Volunteers shall escalate the matter to Program Leadership rather than attempting to investigate or resolve it independently.

8.2 Program Response. Program Leadership may take reasonable steps consistent with Program policy, including pausing communications, involving a Parent/Guardian, changing volunteer assignments, documenting the concern, or referring the Student or family to appropriate outside resources.

8.3 Program Discretion. The Program may decline, modify, suspend, or terminate services if participation creates a safety concern, capacity issue, policy conflict, or need beyond the Program's educational scope.

ARTICLE IX. ACKNOWLEDGMENT AND CONSENT

9.1 Acknowledgment. By signing below, the Parent/Guardian acknowledges that the Parent/Guardian has read and understands this Agreement and consents to the Student's participation in the Program subject to its terms.
