

EDUCATION ACCESS PROGRAM

PRIVACY STATEMENT AND INFORMATION HANDLING NOTICE

Version 1.0 | Effective Date: May 12, 2026

Document Title	Privacy Statement and Information Handling Notice
Program	Education Access Program
Effective Date	May 12, 2026
Version	Version 1.0

NOTICE. This document describes the Program's internal standards for collecting, using, storing, disclosing, and protecting participant information. It is intended for program governance and participant notice purposes. It does not constitute legal advice, does not create an attorney-client relationship, and should be reviewed by qualified counsel before being relied upon for jurisdiction-specific privacy or data-protection compliance obligations.

This Privacy Statement and Information Handling Notice (the "Statement") applies to students, parents, guardians, volunteers, applicants, partner organizations, and other persons who communicate with or receive services from the Education Access Program (the "Program"). By submitting information to the Program, requesting support, participating in Program activities, or communicating with Program representatives, the individual participant acknowledges the practices described below.

ARTICLE I. DEFINITIONS AND INTERPRETATION

1.1 Defined Terms. For purposes of this Statement, the following terms shall have the meanings set forth below.

- (a) "Program" means the Education Access Program and any affiliated initiative, team, workshop, communication channel, resource hub, volunteer group, or educational support activity operated under its name.
- (b) "Participant" means any student, applicant, parent, guardian, family member, volunteer, prospective volunteer, or other person who provides information to or receives communications from the Program.
- (c) "Personal Information" means information that identifies, relates to, describes, or could reasonably be associated with a Participant, including names, contact information, age, location, education history, language preferences, support requests, application materials, session records, and communications.
- (d) "Sensitive Information" means information that may require heightened care, including information concerning displacement, family circumstances, immigration-related facts, safety concerns, health information, government identification, financial records, legal records, or detailed conflict-related history.
- (e) "Program Leadership" means the founder, director, designated coordinator, or other person authorized to supervise Program operations and information handling.

1.2 Construction. The headings in this Statement are for organizational convenience only and shall not limit the scope of any provision. The words "including," "includes," and similar terms shall be interpreted as non-exhaustive.

ARTICLE II. INFORMATION COLLECTED

2.1 Basic Intake Information. The Program may collect basic information necessary to evaluate a support request, including name, age, email address, phone or messaging contact, current country or location, country of origin, preferred language, education level, support needs, deadlines, and availability.

2.2 Educational Information. The Program may collect information relating to academic goals, applications, essays, scholarship interests, test-preparation needs, prior educational experience, intended programs, and documents submitted for educational feedback.

2.3 Volunteer Information. The Program may collect volunteer application information, including school or institution, age, email address, skills, languages, availability, experience, training completion, code-of-conduct acknowledgment, and service records.

2.4 Minors. If a Participant is under eighteen years of age, the Program may request parent or guardian contact information and consent. The Program may decline or limit services if appropriate consent or supervision cannot be confirmed.

EDUCATION ACCESS PROGRAM | PRIVACY STATEMENT

2.5 Data Minimization. The Program seeks to collect only information reasonably necessary for educational support, volunteer screening, safeguarding, program operations, impact measurement, and recordkeeping. Participants should not submit passports, immigration filings, government identification, medical records, financial records, legal records, or other highly sensitive documents unless expressly requested by Program Leadership for a defined Program purpose.

ARTICLE III. USE OF INFORMATION

3.1 Program Operations. The Program may use Personal Information to review support requests, match students with volunteers, coordinate sessions, provide educational feedback, track deadlines, maintain service records, manage volunteer participation, respond to inquiries, and improve Program operations.

3.2 Educational Support. The Program may use submitted essays, prompts, applications, notes, or educational materials for the limited purpose of providing feedback, tutoring, mentorship, application planning, scholarship research, or related Educational Support.

3.3 Safety and Boundary Management. The Program may use information to enforce conduct standards, investigate concerns, document incidents, protect Participants, respond to suspected misuse of Program channels, and escalate matters to Program Leadership when necessary.

3.4 Impact Measurement. The Program may use de-identified or aggregated information to evaluate outcomes, such as number of students served, volunteer hours, essays reviewed, sessions completed, workshops hosted, applications supported, and student-reported confidence. The Program shall not use identifiable student stories, names, images, messages, or essays for publicity without appropriate permission and Program approval.

ARTICLE IV. DISCLOSURE AND SHARING

4.1 Internal Sharing. Personal Information may be shared with Program Leadership, assigned volunteers, coordinators, and authorized team members only to the extent necessary for approved Program purposes.

4.2 Service Providers and Platforms. The Program may use third-party platforms for forms, spreadsheets, file storage, email, video meetings, communication, scheduling, and document review, including tools such as Google Forms, Google Drive, Google Sheets, Zoom, email services, and similar systems. Use of such platforms may be subject to the privacy and security practices of those providers.

4.3 External Partners. The Program shall not disclose identifiable Personal Information to outside organizations, schools, donors, volunteers outside the assigned support team, or public audiences unless the Participant has provided permission, the disclosure is necessary for a requested referral, or Program Leadership determines disclosure is required by applicable law or safety obligations.

4.4 Legal and Safety Exceptions. The Program may disclose information when it reasonably believes disclosure is necessary to comply with applicable law, protect the safety of a Participant or another person, report a serious concern, prevent misuse of Program services, or respond to a lawful request by appropriate authorities.

ARTICLE V. STORAGE, SECURITY, AND RETENTION

5.1 Reasonable Safeguards. The Program shall use reasonable administrative and technical safeguards appropriate for a student-led educational support program, including access limits, password-protected systems, restricted sharing settings, and role-based handling where feasible.

5.2 No Absolute Security Guarantee. No digital system, email account, form platform, cloud-storage service, or communication channel can be guaranteed to be completely secure. Participants should avoid submitting unnecessary Sensitive Information and should notify Program Leadership if information is submitted by mistake.

5.3 Record Retention. The Program may retain information for as long as reasonably necessary for Program operations, recordkeeping, volunteer management, safeguarding, impact tracking, dispute resolution, or legal compliance. The Program may delete, archive, or de-identify records when they are no longer reasonably needed.

5.4 Access Limitation. Volunteers and staff shall access Participant information only for approved Program purposes. Unauthorized copying, downloading, sharing, saving to personal devices, or maintaining independent records of Participant information is prohibited unless authorized by Program Leadership.

ARTICLE VI. PARTICIPANT CHOICES AND REQUESTS

6.1 Updating Information. Participants may request that inaccurate or outdated contact information, availability, support needs, or educational records be corrected by contacting Program Leadership.

EDUCATION ACCESS PROGRAM | PRIVACY STATEMENT

6.2 Withdrawal from Program Participation. Participants may discontinue participation in Program services at any time. Withdrawal may limit the Program's ability to provide support, coordinate volunteer matches, or maintain continuity of services.

6.3 Deletion Requests. Participants may request deletion of information, subject to reasonable limitations for safety records, conduct records, legal obligations, administrative needs, backups, and information already de-identified or aggregated.

ARTICLE VII. ACKNOWLEDGMENT

7.1 Acknowledgment of Practices. By participating in the Program or submitting information to the Program, the Participant acknowledges that the Program may collect, use, store, and disclose information in accordance with this Statement.

7.2 Questions. Questions regarding this Statement or Program information handling should be directed to Program Leadership through the Program's designated contact channel.
