NOTICE. This document establishes internal participation standards, academic integrity expectations, confidentiality obligations, and program boundaries for students receiving educational support through the Education Access Program. It is intended for program governance, student onboarding, family communication, and risk-management purposes. It does not constitute legal advice, does not create an attorney-client relationship, and should be reviewed by qualified counsel before being relied upon for jurisdiction-specific compliance obligations.

This Student Participation Expectations, Academic Integrity, Confidentiality, and Program Boundary Agreement (the "Agreement") applies to each student, applicant, learner, family member, parent, guardian, or other participant who receives, requests, or participates in educational support provided by the Education Access Program (the "Program"). By requesting support, attending a session, submitting materials, using Program resources, or otherwise participating in Program services, the participating student (the "Student") and, where applicable, the Student's parent or legal guardian agree to comply with the standards set forth below.

ARTICLE I. DEFINITIONS AND INTERPRETATION

1.1 Defined Terms. For purposes of this Agreement, the following terms shall have the meanings set forth below.

- (g) "**Confidential Information**" means any non-public information relating to a Student, family, Volunteer, partner organization, Program record, internal process, application material, educational background, location, contact information, personal history, or support request.

1.2 Construction. The headings in this Agreement are for organizational convenience only and shall not limit or modify the scope of any provision. The words "including," "includes," and similar terms shall be interpreted as non-exhaustive.

ARTICLE II. PROGRAM PURPOSE AND SCOPE OF SERVICES

2.1 Educational Purpose. The Program provides Educational Support to help Students from high-risk, conflict-affected, displaced, immigrant, refugee, or otherwise vulnerable educational backgrounds pursue academic opportunities with greater clarity, preparation, and support.

2.2 Permitted Services. Subject to availability and Program capacity, the Program may provide academic tutoring, essay feedback, school or scholarship research, application planning, workshop participation, mentorship, document organization, scheduling support, and other approved educational support tasks.

2.3 No Professional Services. The Program is not a law office, immigration service provider, admissions agency, financial aid office, mental health provider, emergency service, relocation agency, or government representative. Program participation is not a substitute for professional advice from qualified individuals or institutions.

2.4 Capacity and Eligibility. The Program may accept, decline, prioritize, pause, or discontinue support requests based on capacity, volunteer availability, deadlines, language needs, student responsiveness, safety considerations, or fit with the Program's educational mission.

ARTICLE III. STUDENT PARTICIPATION EXPECTATIONS

3.1 Good-Faith Participation. The Student shall participate in good faith, provide accurate information to the best of the Student's knowledge, attend scheduled sessions when able, communicate respectfully, and take primary responsibility for the Student's own educational work and decisions.

3.2 Preparedness. The Student is expected to come prepared for sessions by reviewing assigned materials, bringing relevant prompts or deadlines, attempting assigned practice work, and identifying questions or goals for each meeting.

3.3 Timely Communication. The Student shall make reasonable efforts to respond to Program communications, provide advance notice of missed sessions when possible, and notify the Program of urgent deadlines, changes in availability, or changes in support needs.

3.4 Respectful Conduct. The Student shall treat Volunteers, Program Leadership, other Students, partner organizations, and families with dignity, patience, and respect in all Program-related communications and activities.

ARTICLE IV. PROHIBITION ON LEGAL, VISA, ASYLUM, AND IMMIGRATION ADVICE

4.1 Educational Support Only. The Student acknowledges that the Program provides Educational Support only and does not provide legal, visa, asylum, immigration, border-entry, refugee-status, residency, work-authorization, travel-permission, or government-filing advice.

4.2 Requests Outside Program Scope. The Student shall not request that Volunteers interpret legal requirements, advise on eligibility for a visa or immigration benefit, complete legal forms, review immigration filings, collect immigration documents, advise whether a family should travel or relocate, or instruct the Student or family on legal steps to take.

4.3 Referral and Escalation. If legal, immigration, visa, asylum, relocation, safety, or emergency questions arise, the Student should notify Program Leadership. Program Leadership may provide general educational resources or direct the Student to qualified outside organizations, but the Program does not resolve such matters or provide legal advice.

ARTICLE V. ACADEMIC INTEGRITY AND APPLICATION MATERIALS

5.1 Student Ownership of Work. The Student remains responsible for all essays, personal statements, short-answer responses, applications, scholarship materials, resumes, activity lists, test preparation work, and other submissions. The final content submitted to any institution must be the Student's own work and must reflect the Student's own voice, judgment, experiences, and choices.

5.2 Permitted Essay Feedback. Volunteers may provide feedback regarding clarity, organization, grammar, structure, tone, specificity, authenticity, and overall presentation. Such feedback is instructional and advisory only and shall not be understood as authorship by the Volunteer or the Program.

5.3 Ghostwriting Prohibited. The Student shall not ask, pressure, or permit any Volunteer to write, ghostwrite, generate, fabricate, substantially author, or submit any essay, personal statement, short-answer response, application response, scholarship essay, recommendation-related content, or other submission material for the Student.

5.4 Misrepresentation Prohibited. The Student shall not submit or ask the Program to assist with false, misleading, exaggerated, plagiarized, fabricated, or materially incomplete statements in any application, essay, resume, activity list, scholarship submission, or related material.

5.5 Artificial Intelligence and External Tools. The Student shall comply with the policies of each school, scholarship, testing agency, or institution regarding artificial intelligence tools, paid writing services, translation tools, and third-party assistance. The Program may decline to assist with materials that appear to violate institutional rules or academic integrity standards.

ARTICLE VI. COMMUNICATIONS, BOUNDARIES, AND DIGITAL CONDUCT

6.1 Approved Purpose. All communications between the Student and the Program shall be for Program-related Educational Support only. Students shall maintain a professional, respectful, and appropriate tone in all emails, messages, calls, video meetings, shared documents, comments, and other communications.

6.2 Direct Messaging. Direct messages with Volunteers, if permitted by Program Leadership, must be limited to scheduling, educational support, and Program-approved communications. Students shall not pressure Volunteers to communicate outside approved channels or outside reasonable hours.

6.3 Prohibited Communications. Students shall not send romantic, sexual, threatening, harassing, discriminatory, insulting, coercive, manipulative, exploitative, excessively personal, or unrelated communications to any Volunteer, Student, Program Leadership member, or partner organization.

6.4 Minors and Additional Safeguards. If the Student is under eighteen years of age, the Student and Parent or Guardian acknowledge that additional safeguards may apply, including parent or guardian involvement, group communications, approved platforms, meeting documentation, or other supervision requirements established by the Program.

6.5 No Personal Dependence. Students shall not seek personal financial support, housing, travel assistance, legal guidance, emergency intervention, or crisis counseling from Volunteers. Students should refer needs outside Educational Support to Program Leadership for appropriate escalation or referral.

ARTICLE VII. CONFIDENTIALITY AND INFORMATION PROTECTION

7.1 Program Use of Information. The Program may collect and use Student information solely for approved Program purposes, including intake, matching, scheduling, educational support, session tracking, document review, safety review, outcome measurement, and internal administration.

7.2 Student Responsibility. The Student shall not share another Student's personal information, stories, messages, academic materials, contact information, family circumstances, or Program records outside approved Program contexts.

7.3 Data Minimization. The Student should not submit passports, immigration papers, government identification, medical records, financial documents, legal records, or detailed family safety information unless specifically requested by Program Leadership for a limited and approved Program purpose. The Program generally does not need such documents to provide Educational Support.

7.4 Shared Documents. The Student is responsible for ensuring that shared documents, links, and files are appropriate for educational review and do not contain unnecessary sensitive information. The Program may request that a Student remove or redact unnecessary sensitive information before review.

7.5 No Absolute Confidentiality. The Program will make reasonable efforts to protect Student information, but confidentiality may be limited where disclosure is necessary for safety, supervision, legal compliance, reporting obligations, or protection of Program integrity.

ARTICLE VIII. RESPECT, NON-DISCRIMINATION, AND CULTURAL RESPONSIBILITY

8.1 Respectful Treatment. The Student shall treat all Program participants with dignity and respect. The Program recognizes that Students may have experienced displacement, conflict, interrupted education, trauma, economic hardship, language barriers, or other forms of instability, and expects all participants to maintain a supportive educational environment.

8.2 Non-Discrimination. The Student shall not discriminate, harass, stereotype, mock, exclude, or demean any person based on nationality, race, ethnicity, language, religion, sex, gender, disability, socioeconomic status, immigration background, political context, educational history, or any other personal characteristic.

8.3 Personal Stories and Consent. The Student is not required to disclose traumatic, political, family, conflict-related, or sensitive personal experiences in order to receive support. Student stories shall not be used for publicity, fundraising, social media, presentations, or other external purposes without appropriate permission and Program Leadership approval.

ARTICLE IX. ATTENDANCE, SCHEDULING, AND PROGRAM RECORDS

9.1 Attendance. The Student shall make reasonable efforts to attend scheduled sessions on time. If the Student cannot attend, the Student should notify the Volunteer or Program Leadership as early as practicable.

9.2 Repeated Missed Sessions. Repeated missed sessions, lack of communication, disruptive conduct, or failure to participate in good faith may result in reassignment, pause of support, or removal from active Program services.

9.3 Records and Outcome Tracking. The Student acknowledges that the Program may maintain limited records of sessions, service type, deadlines, assignments, document reviews, applications supported, outcomes, and feedback for educational support, quality improvement, and impact reporting. Public reporting shall not identify Students without appropriate consent.

ARTICLE X. NO GUARANTEES, PROMISES, OR MISLEADING STATEMENTS

10.1 No Guaranteed Outcomes. The Student acknowledges that the Program does not promise, guarantee, imply, or represent that any Student will obtain admission, a scholarship, financial aid, a visa, relocation, test-score improvement, institutional acceptance, interview, employment opportunity, or any other outcome.

10.2 Independent Decision-Making. The Student and, where applicable, the Parent or Guardian remain responsible for all educational, application, financial, legal, travel, relocation, and family decisions. Program feedback is advisory and educational only.

10.3 Accuracy of Information. The Program and Volunteers may provide information based on available knowledge and resources, but Students remain responsible for verifying requirements, deadlines, institutional policies, and submission rules with the relevant school, scholarship provider, testing agency, or official source.

ARTICLE XI. PARENT AND GUARDIAN INVOLVEMENT FOR MINORS

11.1 Minor Participation. If the Student is under eighteen years of age, the Student may be required to provide parent or guardian contact information and obtain parent or guardian awareness, consent, or participation as determined by Program policy.

11.2 Communication Safeguards. The Program may require that parent or guardian contacts be copied on communications, informed of meeting schedules, or available for certain sessions. The Program may decline to provide support if required safeguards for a minor Student cannot be maintained.

11.3 Guardian Responsibilities. A Parent or Guardian signing this Agreement acknowledges the Program's limited educational role, agrees not to request services outside Program scope, and agrees to support the Student's respectful and good-faith participation.

ARTICLE XII. SAFETY, ESCALATION, AND REPORTING

12.1 Duty to Escalate Concerns. If the Student experiences or observes inappropriate communication, harassment, discrimination, pressure to share sensitive information, requests for money, requests for legal documents, confidentiality concerns, or any situation that feels unsafe or outside the Program's role, the Student should promptly notify Program Leadership.

12.2 Emergencies. The Program is not an emergency service. In any immediate emergency or imminent danger, Students and families should contact appropriate local emergency services, trusted adults, qualified professionals, or relevant community organizations.

12.3 Program Response. The Program may take reasonable steps to review concerns, restrict communications, reassign matches, remove participants, refer issues to outside resources, or take other actions deemed appropriate by Program Leadership.

ARTICLE XIII. PROGRAM MATERIALS, PUBLICITY, AND EXTERNAL USE

13.1 Program Materials. Templates, guides, workshop materials, tracking tools, resource lists, forms, and other Program-created materials are provided for educational use within the Program and shall not be misrepresented, sold, or used to impersonate the Program.

13.2 Publicity and Testimonials. The Student shall not be required to provide a testimonial, photo, story, or public statement. Any use of identifiable Student information for publicity, fundraising, reports, presentations, or social media requires appropriate permission and Program Leadership approval.

13.3 External Communications. The Student shall not represent that the Student speaks on behalf of the Program, bind the Program to any commitment, or use Program affiliation to contact schools, scholarship providers, media, or outside organizations in a misleading manner.

ARTICLE XIV. COMPLIANCE, CORRECTIVE ACTION, AND TERMINATION OF PARTICIPATION

14.1 Compliance Obligation. Compliance with this Agreement is a condition of Student participation. The Program may require additional orientation, supervision, documentation, or safeguards at any time.

14.2 Corrective Action. A violation of this Agreement may result in clarification of expectations, warning, reassignment, restriction of communications, pause of services, removal from a specific program activity, or termination of Program participation.

14.3 Immediate Removal. The Program may immediately remove a Student from any Program activity for serious misconduct, including harassment, discrimination, threats, inappropriate communications, confidentiality breaches, academic dishonesty, repeated disruptive conduct, misuse of Program resources, or conduct that compromises safety or Program integrity.

14.4 No Entitlement to Services. Nothing in this Agreement creates an entitlement to services, a guaranteed match with a Volunteer, guaranteed availability, or a continuing relationship with the Program. Program participation may be ended by either the Student or the Program at any time.

ARTICLE XV. STUDENT AND PARENT/GUARDIAN ACKNOWLEDGMENT
